

Nemschoff® Sahara Recliner

The Nemschoff Sahara Recliner lets patients customize their comfort, whether they want to sleep, read, watch TV, or just visit. The back reclines from upright to nearly flat with the push of a button located inside the arm. The footrest operates independently of the recline with the pull of a lever situated on the outside of the arm. With its ability to provide uncompromising comfort within a wide range of positions, the Sahara Recliner is an appealing addition to patient rooms and treatment areas.

Benefits

- Back recline and footrest controls provide the ideal position within an infinite range
- Multiple features and options deliver long-lasting performance in healthcare settings
- Casters aid maneuverability around patient rooms and down hallways

Warranty

12-year, 3-shift
(recliner mechanism: 10-year)
