

Nemschoff® Serenity® Recliner

Prioritizing patient comfort and ease of use, the Nemschoff Serenity Recliner makes it easy for patients and caregivers to select the perfect position for any activity. Available in two sizes, it is mobile and adjustable. Serenity can be positioned for ideal comfort, by empowering the patient or caregiver to select from an infinite number of reclining positions within a given range. A variety of options, including reverse recline and table options, further support function and caregiver work.

Benefits

- Easy-to-use back recline and footrest controls put patients in the ideal position
- Wingchair styling makes the recliner look more inviting and less clinical
- Multiple features and options deliver long-lasting performance in healthcare settings

Warranty

12-year, 3-shift
(recliner mechanism: 10-year)
