

# Nevi™ Sit-to-Stand Desks

With Nevi™ Sit-to-Stand Desks, workspaces become more effective by incorporating flexibility in both floorplate options and employee movement. Available in both freestanding and back-to-back linked benching applications, Nevi helps people put an emphasis on healthy habits in the workplace by making it easier to change positions throughout the day. Give people what they need to do their best work—increasing energy and productivity—while protecting your bottom line.
