

OE1 Freestanding Curtain

The OE1 Freestanding Curtain forms a soft, permeable boundary that lends a warm, residential feel to office, hospitality, lounge, or café settings. Move it or combine it with other walls to divide or create team spaces, enhance the sense of community, or improve wayfinding—all in an organic way.

Benefits

- The OE1 Freestanding Curtain divides space in a flowing and artistic way. It offers the visual comfort of a curtain and—because it's not connected to a wall or ceiling—the flexibility of moving it.
- By offering some light visual and acoustical privacy, the curtain helps create spaces where people connect and socialize, enhancing corporate culture.
- Easy to move and combine with other partitions, the curtain provides a simple way to take a reception area, team neighborhood, or refuge space from ordinary to stunning. Available in straight or curved options for more organic shapes, as well as in different degrees of opacity, the curtain is suitable for a wide variety of aesthetics.

Warranty

12-year, 3-shift

Key Features

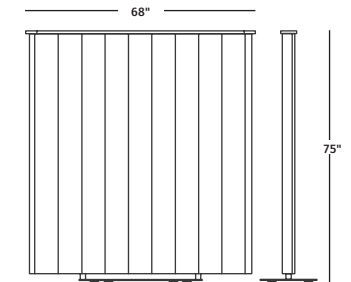

- 1. Frame**
This steel freestanding frame structure has two columns that support a curtain. Available in eight colors.
- 2. Base**
The steel base provides support and stability. Non-friction adhesive pads are included to help with mobility. Available in eight colors.
- 3. Curved or Straight**
Available in curved or straight configurations that are 75" high and 68" wide. The curved curtain has a more organic shape that combines nicely with angled sofas.
- 4. Opacity**
Three fabrics in varying levels of opacity and 13 different colors give you options for privacy and style.
