

OE1 Personal Hoodie

The OE1 Personal Hoodie is a soft, portable tabletop boundary that improves privacy, reduces glare and personal distraction, and signals when you are not available. Stack them together for easy storage and transport.

Benefits

- The OE1 Personal Hoodie establishes a personal boundary around your workspace, shielding your work from passersby and decreasing distractions.
- The lightweight Personal Hoodie reduces glare from bright light. And, when not in use, up to six Personal Hoodies stack together, keeping the room tidy.
- The Personal Hoodie is made from 60 percent recycled plastic bottles. It's also 100 percent recyclable, helping your workplace become more sustainable.

Warranty
