Key Features

- 1. Trapezoid Work Surfaces**
Work surfaces are angled to create open sightlines to help reduce distractions.
- 2. Central Cable Trough**
The enhanced cable trough offers concealment of cords and a hinged door to access power and data when needed.
- 3. Vertical Cable Management**
The external cable manager neatly routes cords from the work surface to the central cable trough.
- 4. Switch**
The intuitive paddle allows users to easily adjust their desk from seated to standing postures and is compatible with Live OS.
- 5. Technology Support**
Renew Link is compatible with monitor arms, keyboard supports, and CPU Holders.
- 6. Screens**
Trough-mounted screens and gallery panels provide privacy and is available in variety of materials such as laminate, glass, veneer and fabric.
