

Tu[®] Metal Storage

Tu Metal Storage accommodates the items that connect people to their work. The diverse set of options includes lateral files, pedestals, storage towers, storage cases, and bookcases, all designed with efficiency and personalization in mind. With a focus on giving people just what they need, this storage offers exceptional value at an affordable price.

Benefits

- Aesthetically versatile, from highly functional to warmly residential
- Meets both individual and team storage needs and creates boundary between workpoints
- Efficient design results in a footprint that maximizes the use of floor space

Warranty

12-year, 3-shift

Key Features

- 1. Lateral File with Open Shelf**
The lateral file attaches below a surface and has a file drawer in the lower section with an open shelf above. It has a smooth steel case and a recessed base with one-inch leveling glides.
- 2. Storage Case**
The freestanding storage case has hinged doors and integrated pulls—great for group storage.
- 3. Space Delineation**
Storage cases and lateral files can be used to create boundary between workpoints.
- 4. Lateral File with Overfile**
This overfile is attached to the top of a Tu lateral file. It has hinged doors, a smooth steel case, and a full-width integrated pull.
