## Tuxedo Component Lounge™ Bench

### Designer

BassamFellows for Geiger

### Original Production Date

2011

### Warranty

12 years

With its low and sleek profile, this two-person bench provides a generous platform for seating without overpowering its surroundings. The cantilevered seat, available in a range of quilted and non-quilted upholstery, sits atop slim steel legs in any of six metal finishes. It shares the modular grid design of the Tuxedo line to pair easily with other pieces.
