

Ubi® Mobile Bag Catch

The Ubi Mobile Bag Catch is a desk accessory that enables people to organise, personalise, and work effectively. Individuals can arrange—and rearrange—their workspace to suit their personal preferences and workstyles. Based on research into organising principles, the Ubi Bag Catch is intended to promote accessibility, control visibility, and maximise space savings for a new and richer experience of working.

Benefits

- Intuitive design that's based on how people move and operate within the workspace
- Suited for many styles
- Zoned for optimal placement

Warranty

12-year, 3-shift
