

Ubi™ Work Tools

The Ubi Work Tools portfolio is a collection of desk accessories that enable people to organize, personalize, and work effectively. Individuals can arrange—and rearrange—the portfolio's assortment of tools to suit their personal preferences and workstyles. Based on research into organizing principles, the portfolio is intended to promote accessibility, control visibility, and maximize space savings for a new and richer experience of working.

Benefits

- Intuitive design that's based on how people move and operate within the workspace
- Suited for many styles
- Zoned for optimal placement

Warranty

12-year, 3-shift

5-year on USB Power Module and Liners

Key Features

- 1. Bag Hook (not shown above)**
Offered as a surface clamp or a fixed version, the bag hook is accessible bag storage that matches your posture.
- 2. Mobile Bag Catch**
The movable bag catch provides ample storage for personal items.
- 3. Organizers**
The small and large organizers activate the zone to your left or right, orient documents vertically with the help of the Bookend, provide boundaries, and power devices with the USB Module.

- 4. Shelves**
Mounted to the back edge of a surface, the shelves offer additional storage space and can be rearranged without the use of tools. The optional backdrop enables notebooks and reference documents to be oriented vertically, freeing up the surface of the desktop.
- 5. USB Power Module**
The USB Power Module attaches to any part of the desk, allowing you to conveniently charge mobile devices.
- 6. Name Tag**
The name tag is designed to help everyone find colleagues with ease.
