

# Verus™ Side Chairs

Verus Side Chairs offer consistent comfort and proper ergonomic support at an attainable price. The chair provides a quiet aesthetic that can blend in with the look of nearly any space. Also in the family is the Verus Plus Chair, designed to make every person feel comfortable, whether in a hospital waiting room or patient care area.

## Benefits

- The side chair is stackable up to four high
- The plus chair supports up to 500 pounds
- A mix of Verus Chairs, plus chairs, side chairs, and stools offers different seating experiences while creating a consistent aesthetic

## Warranty

12-year, 3-shift

# Verus™ Side Chairs

## Key Features

- Back**  
The Verus Side Chair is available fully upholstered or with a suspension back. The Verus Plus Chair has an upholstered, reinforced back for strength and durability.
- Size-Inclusive**  
To accommodate all body types, the side chair supports up to 350 pounds, and the plus chair supports up to 500.
- Durability**  
Designed with healthcare facilities in mind and backed by Herman Miller's 12-year, 3-shift warranty, the Verus Side and Verus Plus Chairs can hold up to the rigors of these environments.
- Cleanability**  
The chairs are available in a wide range of materials that make keeping them clean easy.
- Ergonomic Fit**  
The plus chair features a 31"-wide seat and ergonomic arms that make getting out of the chair as easy as possible.
- Legs**  
The angled design of the chair's legs prohibit the back of the chair from marking up or damaging walls.
