## How to assemble your chair.

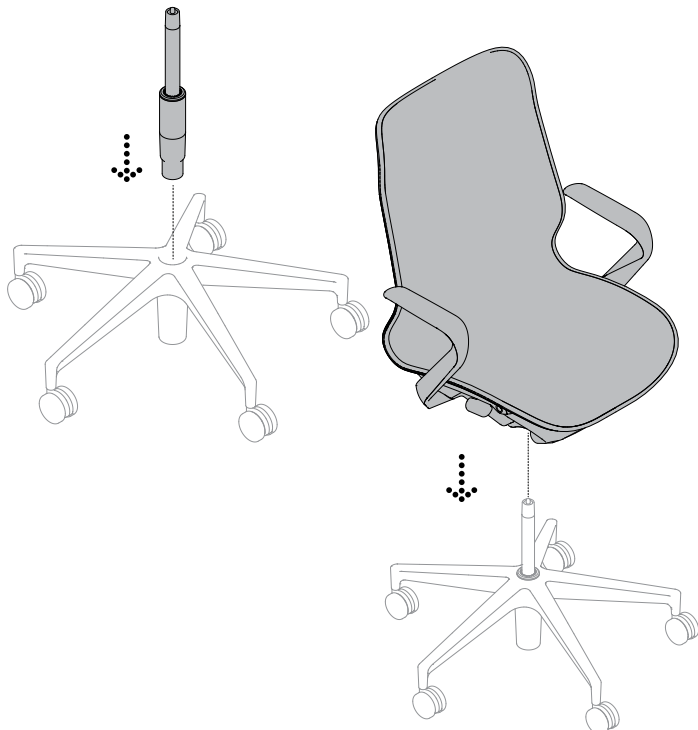

### Notice:

Some of the parts have been wrapped to protect them during shipping. Remove the plastic wrap before assembling the chair.

### Step 1

#### Attach the parts

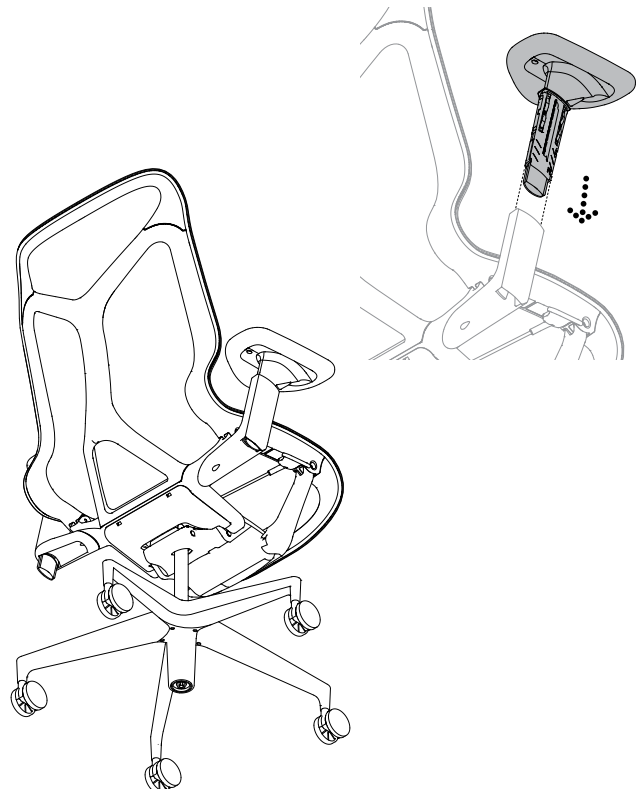

1.1 Remove the base, cylinder and back/seat assembly from box. Place the cylinder in base and back/seat assembly onto the cylinder.

### If your chair has height adjustable arms:

#### Step 2

2.1 Slide the arm assembly and push in until it latches.

### Step 3

3.1 Sit in chair to engage tapers (cylinder/tilt and cylinder/base).

### Congratulations!

Your new Cosm chair is ready to enjoy in any workspace.
