

Canvas Office Landscape® Wire Management Installation and Disassembly for Recycling Instructions

Parts Included:

A Cord Clips

Assembly Instructions:

1

1. Snap Task Light Cord into Cord Clip.
2. Rotate Clip so to align teeth with slots in frame.

2

1. Angle Clip to place the upper tooth into slot.
2. Rotate Clip and engage remaining teeth into slots.
3. Push Clip down to secure all teeth in frame.

3

1. Attach additional clips as necessary.
2. Pull cord gently to remove excess slack between clips.

Disassembly for Recycling:

Materials Identification and Segregation:

Where possible, plastic components are marked with ASTM recycling codes. Use these codes to identify material type for recycling. Non marked components should be treated as mixed plastic. Ferrous metals can be identified using a small magnet for recycling. Non-ferrous metals should be separated and recycled separately.

To disassemble product, reverse the above installation steps.
